### **The PMI Madrid Spain Chapter signed a collaboration agreement with PMI Malta Chapter**

Within the evolution of the development and support of the members of the PMI Madrid Chapter in Spain, PMI Madrid and PMI Malta have signed a collaboration agreement that reinforces joint work between both chapters in the field of the “Career Center.”

Thanks to this agreement, members of both chapters will be able to access shared initiatives aimed at professional development, as well as greater dissemination of

relevant opportunities and activities, strengthening the connection between PMI communities at the European level.

This collaboration reflects the commitment of both chapters to creating real value for their members and a growth vision based on international cooperation. The PMI Madrid chapter continues collaborating in the expansion of the profession through the carrying out of professional activities with its partners (monthly meetings, webinars, round tables, career development).
